## CATERING

Picasso Catering has a large facility for events and catering. The location is at 3822 South Union Avenue - Tacoma, WA 98409 - (253) 475-8333.

**The images shown are without decorations in order to illustrate a blank canvass for your own entertainment ideas. Call for a private showing. (253) 475-8333.**

The main floor is a little larger than our old studio. It will hold about 250 people. I think they have ten round tables (8 toppers) and about 80 chairs. They also have folding rectangular tables that could also seat 8 people along with folding chairs.

Under the exit sign (right) is the main entrance coming off South Union.

At the back of the room is an area normally set up for a small stage and dance floor. The stage rises up about eight inches and can either be set in the corner as the first photo below, or against the back wall where the round tables are currently (bottom photo).

Next to the dance floor is the bar area.
